ABOUT COMPANY

HARKHUSH GUPTA

FOUNDER

BRIJESH GUPTA

FOUNDER

Vintron Smartvision Private Limited was Founded in 1991, headquartered in New Delhi, India. At present the company is being managed by **HARKHUSH GUPTA** and **BRIJESH GUPTA (Alumni of IIT Roorkee)** having industry experience more than 30 years.

It is a leading manufacturer of electronic security and surveillance products in India. Vintron commenced its operations by manufacturing of Desktop PC, Motherboards & Monitors. Subsequently, Vintron expanded its operation to various sub-segments of electronics. Vintron has a pedigree of 30 years of successfully serving the Indian customers with innovation, responsiveness and trust.

Vintron is registered in the Indian Government's "Make in India" programme & all the products sold by Vintron are indigenously manufactured in our state-of-art manufacturing facility located at Okhla, New Delhi. Vintron has made a strong standing of its own, as being a reliable & truly Indian made brand. Vintron products pass stringent quality control tests and carry international certifications such as CE, FCC, ROHS, etc.
