DC 12V Power (To Camera)

HOW IT WORKS

- Paging Console is used to make live or pre-recorded announcements.
- Paging Controller manages zones, priorities & audio distribution.
- PoE Switch delivers both power and data to IP Speakers.
- Each IP Speaker can power and connect an IP Camera using its secondary RJ45 + DC output.
- Single Cat6 cable from PoE Switch to speaker carries everything a clean and simple installation.

- Centralized Paging
- Integrated Camera Connection
- Single Cable Solution
- Easy Installation
- Reliable & Secure
