

## VIN-IP-408AR-A6

4.0MP IP Outdoor Weatherproof Camera

### Main Feature:

- 1/2.8" HD-CMOS
- IR Bullet Big Array Camera
- 4.0MP Resolution @ (2560x1440)P
- CS Lens 8mm
- 6-IR Big Array LED / up to 80-100Mtr.
- PoE Supports
- H.264/H.265/H.265+ Supported

| Feature              | Specification                                                |
|----------------------|--------------------------------------------------------------|
| Image sensor         | 1/2.8" HD-CMOS                                               |
| Video compression    | HH.264/.265/H.265+ Video compression. Support dual stream    |
| Minimum illumination | 0.5 Lux; 0Lux with IR on                                     |
| Shutter type         | Auto/Manual, 1/3(4) ~ 1/10,000s                              |
| Frame rate           | 4.0MP@19fps                                                  |
| White balance        | Auto                                                         |
| P2P                  | Supported                                                    |
| Lens mount           | CS Lens 8mm                                                  |
| Image output         | Main stream: 2560x1440@1-19fps / Sub stream: 640x360@1-19fps |
| ONVIF                | Yes                                                          |
| Network interface    | 1RJ45 Ethernet interface                                     |
| IR Led / IR distance | 6-Array LED / up to 80-100Mtr..                              |
| Network function     | Free client software                                         |
| Power supply         | 12VDC / 2A                                                   |
| Current drawn        | 500mA (Max.)                                                 |
| Working condition    | -10°C to +55°C (32°F-133°F) , 10% - 90%PH                    |
